- Assist foreign students in making academic, personal-social, and environmental adjustments to campus and community life
- Promote intercultural awareness and support students in adapting to local habits and culture
- Encourage and coordinate activities that promote understanding of foreign cultures
- Facilitate the inclusion of foreign students into educational programs
- Help students understand and overcome social or behavioral challenges
- Advise individuals and small groups based on their individual needs
- Work with students to develop skills that support learning, including effective time management and study habits
- Provide linguistic and academic support to non-native English speakers
- Other duties as assigned

Qualified Applicants:

- Proven work experience of **4+ years in the education field**
- U.S. or foreign **Master's Degree in Psychology, Theology, or Counseling required**
- Must have strong familiarity with Asian culture and traditions
- Experience working with international students or multicultural populations
- Knowledge of intercultural communication and adjustment processes

Required Skills/Competencies:

- Strong interpersonal and communication skills
- Ability to work effectively with students from diverse cultural backgrounds
- Proficiency in providing linguistic and academic support to non-native English speakers
- Ability to advise and support individuals and small groups based on their needs
- Understanding of academic, social, and cultural adjustment processes
- Ability to promote an inclusive and supportive educational environment
