Dear LA Supporter,

It's almost time for a new school year and time to lock in your advertising space at Laurens Academy.

Advertising fees are as follows:

Sign cost: \$150 (you can provide your own sign as long as it meets size requirements [45 inches tall by 8 feet in length]).

First field placement: \$150

Any additional field: \$50

Field locations:     Fall (football or volleyball)\*

                              Winter (basketball)

                              Spring (baseball or softball)\*

\*Note: If you choose two fields in the same season, you must purchase an additional sign.

Last year your firm advertised on: \_\_\_\_\_

Please return your check along with the field location of your choice as soon as possible to reserve your space. If you have any questions, feel free to contact the school office.

Kindest Regards,
